

FEATURING UNIQUE, TIME-THEMED DRINKS AND STUNNING VIEWS OF THE GOLDEN GATE BRIDGE, THE INTERVAL IS A SPACE YOUR GUESTS ARE SURE TO REMEMBER.

Located on the site of a historic forge and machine shop at Fort Mason Center on San Francisco's north shore, The Interval's aesthetic is inspired by the late industrial age of the 01930s.

"It's equal parts salon, bar, restaurant, and museum where one can ponder the fragility of human civilization over a cappuccino. ...every detail possessing an interactive trick or a quirky, story-rich provenance."
